### DAY 5 > CLARE VALLEY TO BAROSSA

An easy one-hour drive from Clare is the Barossa – one of Australia's famous wine regions.

There are more than 60 wineries in the region and you can start exploring them in Nuriootpa. You'll find places like Penfolds and Wolf Blass, where you can make your own wines.

The town of Tanunda is a delight, and a walk around is the best way to see its unique historic attractions. There are great cafés, bakeries and antique and craft shops along the main street. Other recommended wineries on the outskirts of Tanunda include Peter Lehmann Wines, Turkey Flat and Langmeil Winery.

For lunch or dinner, recommendations include 1918 Bistro & Grill or FermentAsian in Tanunda, Hentley Farm Wines in Seppeltsfield, Appellation at The Louise in Marananga and Vintners Bar & Grill just outside Angaston.

For a light lunch, or just to taste and purchase the regional produce, Maggie Beer's Farm Shop at Nuriootpa (run by one of Australia's best-known and loved cooks, Maggie Beer) is highly recommended.

Accommodation in the Barossa is varied and excellent. Pretty, historic self-contained cottages, hosted bed and breakfasts, heritage or resort style accommodation, luxurious retreats and homesteads, hotels and motels are all available.
